

Provincia Ciego de Avila

SANCTI SPÍRITUS

CAMAGÜEY

01 GARDENS OF THE QUEEN. NATURAL PARADISE

Gardens is made up of some 600 keys and small islands. It is one of the last major intact marine protected areas (MPAs) in the Caribbean. Ideal for contemplative diving and fishing sports. One of its great attractions is swimming with sharks and crocodiles.

02 LOMA DE CUNAGUA

It is the main elevation of the province of Ciego de Avila. A site of important archaeological discoveries and turned into an ecological reserve since 1985, with an area of 2,742 hectares. It has a fauna with a high endemism.

03 LAGUNA DE LA LECHE

It is the largest freshwater reserve in Cuba, located north of the city of Morón, in the central province of Ciego de Avila. It owes its name to the size and whiteness of its waters.

04 LAGUNA LA REDONDA

Ideal place to enjoy nature tourism in a sustainable way. This is a natural reservoir with an area of about 5 sq. km, surrounded by unusually beautiful mangrove forests and an extensive network of natural canals feeding the lagoon. The lagoon has the largest concentration of perch and trout on the entire island.

07 HISTORIC CENTER OF THE CITY

It currently occupies an area that covers a total of 57 blocks. In this area are the main buildings of heritage values of the city.

05 SUGAR MUSEUM

Ideal to learn about the evolution and development of the Cuban sugar industry. Museum invites you to learn about the beginnings of the industry in the colonial period, agricultural mechanization and sugarcane varieties.

08 LA MARÍA FARM

It is located in the city of Moron, and founded in 1930. You can see agricultural implements dating from this date. The farm has become a reference in terms of the use of agro-ecological practices, ensuring healthier productions and environmental protection.

06 CITY PARK

You can find varied and interesting offers: restaurants and ranchones, nautical activities, points of sale, sports areas, fair areas, viewpoints and amusement parks.

09 ADVENTURE TO THE FLORENCE DAM

Place of great natural beauty. You will live an experience full of fun and you will be able to enjoy one of the most charming places on the island. You will be able to visit town settlements, cultivated areas and a farm where you can ride horses.
